

that are underserved in terms of mortgage credit.

(b) *Factors.* In establishing the Central Cities, Rural Areas, and Other Underserved Areas Goals, the Secretary considered the factors in 12 U.S.C. 4564(b). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal," was published in the FEDERAL REGISTER on December 1, 1995.

(c) *Goals.* The annual goals for each GSE's purchases of mortgages on housing located in central cities, rural areas, and other underserved areas are:

(1) For 1996, 21 percent of the total number of dwelling units financed by that GSE's mortgage purchases in 1996;

(2) For each of the years 1997-99, 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years; and

(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years.

(d) *Measuring performance.* The GSEs shall determine on a mortgage-by-mortgage basis, through geocoding or any similarly accurate and reliable method, whether a mortgage finances one or more dwelling units located in a central city, rural area, or other underserved area.

§81.14 Special Affordable Housing Goal.

(a) *Purpose of the goal.* This goal is intended to achieve increased purchases by the GSEs of mortgages on rental and owner-occupied housing meeting the then-existing unaddressed needs of, and affordable to, low-income families in low-income areas and very-low-income families.

(b) *Factors.* In establishing the Special Affordable Housing Goals, the Secretary considered the factors in 12 U.S.C. 4563(a)(2). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Consider-

ations to Establish the Special Affordable Housing Goal," was published in the FEDERAL REGISTER on December 1, 1995.

(c) *Goals.* The annual goals for each GSE's purchases of mortgages on rental and owner-occupied housing meeting the then-existing, unaddressed needs of and affordable to low-income families in low-income areas and very-low-income families are:

(1) For 1996, 12 percent of the total number of dwelling units financed by each GSE's mortgage purchases in 1996. The goal shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994;

(2) For each of the years 1997-99, 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years. The goal for each year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994; and

(3) For 2000 and thereafter the Secretary shall establish annual goals. Pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years; the goal for each such year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994.

(d) *Counting of multifamily units.* (1) Dwelling units affordable to low-income families and financed by a particular purchase of a mortgage on multifamily housing shall count toward achievement of the Special Affordable Housing Goal where at least:

(i) 20 percent of the dwelling units in the particular multifamily property are affordable to families whose incomes do not exceed 50 percent of the area median income; or

(ii) 40 percent of the dwelling units in the particular multifamily property

§81.15

are affordable to very-low-income families.

(2) Where only some of the units financed by a purchase of a mortgage on multifamily housing count under the multifamily component of the goal, only a portion of the unpaid principal balance of the mortgage attributable to such units shall count toward the multifamily component. The portion of the mortgage counted under the multifamily requirement shall be equal to the ratio of the total units that count to the total number of units in the mortgaged property.

(e) *Full Credit Activities.* (1) For purposes of 12 U.S.C. 4563(b)(1) and this paragraph (e), full credit means that each unit financed by a mortgage purchased by a GSE and meeting the requirements of this section shall count toward achievement of the Special Affordable Housing Goal for that GSE.

(2) Consistent with §81.16(b)(3)(ii), the Secretary will give full credit toward achievement of the Special Affordable Housing Goals for the activities in 12 U.S.C. 4563(b)(1).

(3) Mortgages under HUD's Home Equity Conversion Mortgage ("HECM") Insurance Demonstration Program, 12 U.S.C. 1715z-20, and the Farmers Home Administration's Guaranteed Rural Housing Loan Program, 7 U.S.C. 1933, meet the requirements of 12 U.S.C. 4563(b)(1)(A)(i) and (ii).

(4)(i) For purposes of determining whether a seller meets the requirement in 12 U.S.C. 4563(b)(1)(B), a seller must currently operate on its own or actively participate in an ongoing program that will result in originating additional loans that meet the goal. Actively participating in such a program includes actively participating with a qualified housing group that operates a program resulting in the origination of loans that meet the requirements of the goal.

(ii) To determine whether a seller meets the requirement in paragraph (e)(4)(i) of this section, the GSE shall verify and monitor that the seller meets the requirement and develop any necessary mechanisms to ensure compliance with this requirement.

(iii) Where a seller's primary business is originating mortgages on housing that qualifies under this Special

24 CFR Subtitle A (4-1-00 Edition)

Affordable Housing Goal, such seller is presumed to meet the requirements in paragraph (e)(4)(i) of this section.

(f) *No credit activities.* Neither the purchase nor the securitization of mortgages associated with the refinancing of a GSE's existing mortgage or mortgage-backed securities portfolios shall receive credit toward the achievement of the Special Affordable Housing Goal. Refinancings that result from the wholesale exchange of mortgages between the two GSEs shall not count toward the achievement of this goal. Refinancings of individual mortgages shall count toward achievement of this goal when the refinancing is an arms-length transaction that is borrower-driven and the mortgage otherwise counts toward achievement of this goal. For purposes of this paragraph (f), "mortgage or mortgage-backed securities portfolios" includes mortgages retained by Fannie Mae or Freddie Mac and mortgages utilized to back mortgage-backed securities.

§81.15 General requirements.

(a) *Calculating the numerator and denominator.* Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage. The numerator of each fraction is the number of dwelling units financed by a GSE's mortgage purchases in a particular year that count toward achievement of the housing goal. The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominators shall not include GSE transactions or activities that are not mortgages or mortgage purchases. When a GSE lacks sufficient information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular housing goal, that mortgage purchase shall be included in the denominator for that housing goal.

(b) *Properties with multiple dwelling units.* For the purposes of counting toward the achievement of the goals, whenever the property securing a mortgage contains more than one dwelling unit, each such dwelling unit
